

Congratulations to the 2016 Excellence in Law Finalists

We're proud to recognize 25 finalists in eight categories for our inaugural awards program.

August 30, 2016 9:14 AM

This past spring, we put out a call to recognize outstanding legal professionals across the St. Louis metropolitan area, those who made a difference in the community over the past year, whether through their service, a significant case, or exemplary leadership. Entries were welcome from firms of all sizes, including both the public and private sector.
